Dear Colleagues and Friends,

September is National Recovery Month. What better time to educate communities on the impact of substance use disorders and highlight that mental health services can enable those suffering from these conditions to live healthy and rewarding lives? As addiction continues to impact the lives of individuals and families in our communities, Akoma - and the Women in Recovery committee - are thrilled to take a pause on September 29, 2023, to celebrate some of the vital players in women's treatment, recovery, and mental health service arenas: women who are standing in the gap to help suffering women reach their goals.

On this day, we hope that you will join us at the renowned St. Agnes' Our Lady of Fatima Legacy Hall, in the historic Hough community in Cleveland, Ohio, to celebrate the powerful and dedicated work of addiction and mental health professionals and other related supporters. Help us make this year's celebration an awesome one by spreading the word that addiction and mental health professionals and other related supporters are truly lifesaving responders.

You can help us celebrate by submitting nominees for special recognition in these four categories: Treatment Professionals; Administrative Professionals; Recovery Peer Supporters; and Community Supporters. To submit a nomination, [click here](#). The nomination deadline is August 18TH, 2023.

Furthermore, you can help us celebrate these individuals by promoting this commemorative day on communication platforms, e.g., newsletters or other mailings, social media posts, and other sharable graphics. The more people in our networks become aware of the work that is being done by these wonderful professionals and supporters, the better we become at helping to reduce the stigma of addiction and mental health disorders and increasing broader supports for treatment and recovery.

Lastly, on September 29, 2023, Akoma and the Women's Recovery Committee would like to have every woman currently in a treatment program and/or recovery facility in attendance. Thus, we are asking for sponsorships to help any female in a facility or recovery to attend. If you would like to sponsor an individual or organization, please [click here](#).

We welcome everyone to celebrate addiction and mental health professionals and related supporters on September 29th. Registration information will be available starting August 1ST, 2023.

Further information regarding the luncheon or recovery month can be obtained by contacting Janice or Charlotte at 216-361-1503.

Thank you for your support!

Sincerely,
AKOMA Women in Recovery Committee
